

A Guide to Delegate Lunches

Every company, every event has a different purpose and a distinctive objective, therefore every one of our menus is bespoke to ensure it carries a unique message.

So where to start?

Break free of the tick boxes and packages. Begin by giving us your brief and your budget then use our expertise to tailor the perfect menu solution for you.

Success can be so simple, so why complicate it?

Daily delegate rates start from £60 per person including hire of your room. Half day delegate rates from as little as £40 including a hearty working lunch.

Alternatively, hire the room and ask for a menu costed at the required level.
